

# PRACTICE 7: MODERN IoT

## 1. Devices Communication

Let's write a program to connect Arduino to Arduino by using:

- C/C++
- Python

## 2. Devices Communication

Let's write a program to connect Arduino to ESsp32 by using:

- C/C++
- Python

## 3. Devices Communication

Let's write a program to connect ESsp32 to ESsp32 by using:

- C/C++
- Python
